

It is the desire of M&K Ministry to minister with the help of the Holy Spirit to find

- Restoration to a right relationship with God
- Recovery from emotional wounds and renewing the mind
- Reconciliation for broken relationships
- Regeneration for broken homes and impact on future generations

Typically, we schedule a **two-hour block** for each prayer session. You may meet with one, two, or three team members as desired for no extra charge.

The current rate for professional counseling in the Murfreesboro/Nashville area is \$120 per 50-minute sessions with one counselor. Because we are an inner-healing prayer ministry, however, and no price can repay our Lord Jesus for the wisdom that He gives, **we do not charge for our services.**

However, as a faith-based, nonprofit organization, M&K Ministry has on-going expenses, and a **minimum donation of \$10 to M&K Ministry is appreciated at the time of ministry.**
