

## Divine Intersections

November 2019

We are coming up on the 20<sup>th</sup> year anniversary since Minna's and Karen's paths crossed and M&K Ministry's story began. And somewhere, at some point, **your story intersected with ours**. We do not believe in fate or luck in the Kingdom of God, so we know that there was a purpose for our paths to connect. Our stories are important!

Perhaps your path has taken you in a different trajectory since we first met. Perhaps we're still walking side by side. In the past 20 years we've traveled further down our paths toward our own healing as we've put into practice the many lessons God has been teaching us. Because of you, we have learned more about God's perfect love and His desire to have intimacy with us. And we pray that our encounters left a footprint on your life as well.

A year ago, at the urging of a friend, Sarah (not her real name) called to make her first appointment with us for an inner healing prayer session. It was obvious that Sarah was struggling, but she wanted to stay in denial if at all possible. She was mad at God, but as long as she could view life as one big party, she could avoid looking at the painful memories of her childhood that had shattered parts of her heart. As we met with her off and on over the course of the year, God was so patient with her, developing a trust relationship with each dissociated part before uncovering the next layer. In her words: "Meeting with you guys was the hardest thing I ever did in my life, but it was the best thing I ever did. Other therapies gave me the foundation to be able to face my pain, but inner healing prayer was the missing piece that brought it all together for full healing."

Sarah's story is just one of over 40 people our three-member team has prayed with this year alone. Each story is a testament to God's love and grace and power. Like most of our clients, Sarah cannot afford to donate much to our ministry, and so we rely heavily on "missionary support" to pay our bills.

Would you care to join us in celebrating this milestone with a tax-deductible gift toward our ministry to hurting people? If we prayed with you, perhaps you were unable to donate anything at the time you met with us, and someone else made it possible by giving in your place. Should you choose, and as God prompts, here's an opportunity to pay it forward. **Will you help a fellow traveler on his or her path toward healing and wholeness?**
