

## Pray for us!

**November 2023**

Joan got our names through a friend who experienced a powerful encounter with the living Lord Jesus in an inner healing prayer session. “I want that too!” she said. “What can I expect if I make an appointment with these ladies?”

“Well,” the friend said, “they’ll probably ask you what brings you to them, and then they’ll start in a safe emotional place—a time when you felt most connected to the Lord.”

“But what if I have an emotional blockage to hearing from God?”

“These ladies are experienced at asking questions through prayer to find out what’s blocking. God will not violate your will, so He will wait till you are ready to feel your pain.”

“What happens when I’m willing to feel it, then?”

“He’ll give you truth that brings peace, both in the past and the present. Here are some lies I believed, followed by the words the Lord gave me in my prayer session. I’ll be eager to hear how the Lord ministers to your heart, Joan, as well.”

[I have to earn God’s love.]	You are loved unconditionally.
[Where were you, God?]	I was with you. I was there through it all.
[I’m not safe.]	Hide in Me. I’ll be your hiding place.
[Why didn’t You stop it?]	There are evil people who make bad choices, and I give free will because I want people to love Me and choose Me at will, but I have chosen you.
[It was my fault.]	You didn’t cause the abuse.
[I’m worthless, unlovable.]	I have loved you with an everlasting love.
[I don’t matter.]	You are precious. You matter.
[I deserved it.]	You are significant. I did not intend for you to be used and abused.
[I’m not allowed to be mad.]	It’s okay to be mad at them, but I don’t want you to hate them. They did wrong to you. If you hate them, it will only hurt you. Take hold of the light of My love. This is the hard part: Can you choose to forgive them?
[I can’t let go of my pain.]	I see your broken heart. I’m catching every teardrop.
[I see chains binding me.]	I can break the chains. You are healed; you are free.

### **Would you like to partner with us in our ministry to hurting people?**

We need continual prayer covering as we enter enemy territory. And since we don’t charge for our ministry, we depend on partners like you to meet our ongoing financial needs.
